

Creative Learning Center's Cool Camps June, 2017

Summer is a special and wonderful time for children, a time to wonder, explore, and discover. It is a time to wiggle toes in the sand, paint with your fingers and feet, and blow bubbles in the summer breeze. It's also a time to read exciting stories and take a pretend flight to new destinations. At the creative learning center, we are pleased to offer a cool and stimulating camp program. We have planned a rich and varied curriculum because we believe that learning is and should always be a magical and marvelous journey!

In our cool camps, we celebrate a child's sense of wonder through exciting, hands-on art, music, cooking, and science projects...all designed to enhance your child's understanding of award-winning children's picture books! We integrate art, cooking, music, science, and literature to challenge and stimulate your child's curiosity and critical thinking skills!

"Frequent Flyers" is open to children between the ages of three years six months to six years. Your child must be three years of age by January 2016 and must be fully potty-trained in order to attend our camp. The program will be held indoors with about fifteen minutes of outdoor play. Each group will be led by two experienced early childhood educators. Camp hours are from 9:00 a.m. until 12:00 p.m. Children will provide their own lunches and will have the opportunity to enjoy lunch at camp prior to dismissal.

Please note that group size is limited to 18 children but will be canceled unless we have a minimum of 12! Don't forget to tell your friends to sign up with you!

To register your child for our summer program, please submit the camp enrollment application along with a check for the week or weeks chosen. Spaces will be filled as applications are received. If your child does not presently attend CLC, you will be required to provide full information forms, including your child's medical and immunization record as required by NJ law.
